Announcing the 2027 Chicago Titan 100 Recipients

Titan CEO and headline sponsor Mowery & Schoenfeld are pleased to announce the 2027 Chicago Titan 100. The Titan 100 program recognizes Chicago's Top 100 CEOs & C-level executives. They are the area's most accomplished business leaders in their industry, using criteria that include demonstrating exceptional leadership, vision, and passion. Together, the 2027 Chicago Titan 100 honorees lead organizations that generate more than $14 billion in annual revenue and employ more than 45,000 people across the region and beyond. This year's honorees will be published in a limited-edition Titan 100 digital book and profiled exclusively online. They will be honored at the annual awards ceremony on February 18th, 2027, and will be given the opportunity to interact and connect multiple times throughout the year with their fellow Titans.

"Chicago's Titan 100 are redefining business with vision and purpose, setting new standards for growth, innovation, and impact. These trailblazing leaders inspire transformation across industries, uplift communities, and drive meaningful change. We proudly celebrate their legacy of excellence and unwavering commitment to shaping a brighter future for all," says Jaime Zawmon, President of Titan CEO.

This year's Titan 100 embody the true diversity of Chicago's business landscape. Representing information technology, hospitality, construction, real estate, manufacturing, financial services, and non-profit organizations.

The annual Titan 100 awards celebration on February 18th, 2027, will be held at the Geraghty. This elegant, cocktail-style awards event will unite 100 Titans of Industry for an unforgettable evening of celebration, camaraderie, and networking. This will be an evening unlike anything that exists in the Chicago business community.

"Mowery & Schoenfeld is committed to supporting clients at the intersection of business and entrepreneurial growth," said Jeff Mowery, Managing Partner of the top 150 accounting, tax, and advisory firm and a Chicago Titan 100 Hall of Famer. "We are honored to partner with Titan CEO to recognize this class of incredible leaders and strengthen connections across Chicago's dynamic business community."

In addition to celebrating 100 Titans of Industry, Titan CEO will be recognizing the Titan 100 Hall of Fame. This prestigious honor has been awarded to only eleven Titan 100 honorees as part of this special commemoration.

Titan award recipients are eligible to make the Titan 100 list for up to three years, with each year getting progressively more difficult. To make it to the Hall of Fame, Titans must complete on-camera interviews and answer a series of questions in front of a live judging committee.

The Titan 100 Hall of Fame is a class of elite executives who have consistently shown over the past three years their ability to demonstrate the characteristics of a Titan, a pillar of the community.

The Hall of Fame recipients have been noted in **bold** and with an asterisk (*).
