

Introducing the **NEW**

FFTACONNECT

MOBILE APP

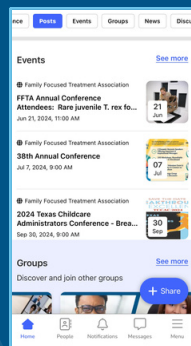

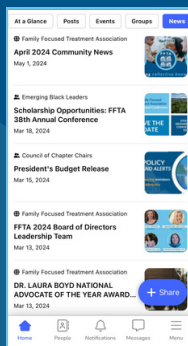

CONNECT

What is FFTAConnect?

- a **NEW** member benefit that features a passionate and innovative community working together to improve the lives of families
- a platform where you can join online learning collaboratives and/or committees (groups) organized around topics, projects, and other initiatives, right from your mobile device
- an online opportunity to initiate and/or contribute to thought-provoking forums & discussions
- a safe place to access published documents/ other digital content as well as information about FFTA news & events (FFTA members can also promote events here)

The FFTAConnect mobile app is available in both the Apple App and Google Play Stores! Visit the QR code or buttons above for direct access to download.
