Save the Date to Join us in 'The Land of Smiles'

Operation Smile's International Student Leadership Conference (ISLC) gathers Operation Smile's student volunteers for a weeklong gathering, where everyone learns from inspiring speakers and takes part in interactive workshops. You'll leave ISLC equipped with the skills to make a direct impact on the lives of our patients.

This immersive experience will not only help you become an even stronger global-health advocate, but you'll do so while embracing Thai culture.
