

Exclusive Health Clinic for Military Veterans & RCMP

Echelon Wellness is Canada's first healthcare and administration clinic dedicated exclusively to Military Veterans and RCMP.

By combining advanced medical technology with compassionate care, Echelon supports Veterans throughout their entire healthcare journey.

Echelon offers innovative treatments and comprehensive services in a one-stop shop tailored to their unique mental, physical, sexual, and administrative needs, including non-invasive, shockwave therapy for men's health and chronic pain.

All services offered are covered by Blue Cross and ALL paperwork will be managed by our team.
